

## Pricing

We pay all the taxes, workers' compensation, liability, bonding, and unemployment insurances. You pay one flat fee.

Our Rates are all about best value.

### Temporary Needs

HospitalityStaff® offices are operated by industry professionals like you. We will work to provide the best staff and service available within your budget.

### Temp-to-Hire

Rates are based on your entry level pay scale for each position. We try to bring them in a little less than your pay to give them an incentive to go on your payroll when they qualify.

### Event and On-Site Managed Staff

Your bill rate is determined by the service level you require:

- On-site management levels
- Benefits Requirements
- Tools and Equipment Needs
- Uniforms
- Training Specifications
- Projected number of hours covered

All services can be included into one set price per billable hour worked.

### Private Home Staff

For one set price per person we offer the most hospitable and professional staff available. You can expect them to set-up, serve, clear, cleanup, breakdown and take out the trash. Our staff insure your party is a success while you enjoy your guests.
